is hereby awarded the title of

CERTIFIED EUROPEAN WELDING ENGINEER

Certification Date: 05.03.2010

Certificate No: Cert EWE/CZ 00113 / 3

Expiry Date: 05.03.2013

Ing. Jiří Barták, CSc.
Chairman, Assessment Committee

Ing. Václav Minařík, CSc.
Authorised Representative of ANB

ANB name and country: Czech Welding Society ANB

The scope of experience of the certified person is given in the Schedule accompanying this certificate.

Employers have the opportunity to confirm authorisation to work of the certificate holder by completing the Schedule accompanying this certificate. Please read the notes overleaf

EWF PARTICIPATING COUNTRIES

Austria • Belgium • Bosnia and Herzegovina • Bulgaria • Croatia • Czech Republic • Denmark • Finland • France • Germany • Hungary • Iceland • Iran • Italy • Luxembourg
Netherlands • Norway • Poland • Portugal • Romania • Russia • Serbia • Slovakia • Slovenia • Spain • Sweden • Switzerland • Ukraine • United Kingdom

NOTES:

1. The certificate is issued to the person named and is only valid for the period indicated. Certified persons should apply for renewal well before the expiry date in order to ensure continuity of certification. The certificate remains the property of the ANB.
 2. Certified persons are obliged to follow the Rules of Professional Conduct described in EWF Document 416-Appendix 11. Failure to do so may result in the certificate being withdrawn.
 3. In order to discourage fraudulent use of certificates, employers presented with this certificate should only accept it if it is an original. In cases of doubt, verification should be sought from the ANB named overleaf.
 4. Employers have the option to use the Schedule that accompanies the certificate to indicate if the certified person has been officially authorized by the company in accordance with EN 719 “Welding Co-ordination – Tasks and Responsibilities”. If this form is not completed by the employer, it does not affect the validity of the certificate.
